How Mailchimp Uses Cookies

Mailchimp Sites may request cookies to be set on your device. We use cookies to let us know when you visit our Mailchimp Sites, to understand how you interact with us, to enrich and personalize your user experience, to enable social media functionality and to customize your relationship with Mailchimp, including providing you with more relevant advertising. Click on the different category headings to find out more. You can also change your cookie preferences at any time. Note that blocking some types of cookies may impact your experience on our Mailchimp Sites and the services we are able to offer.

Performance and Functionality Cookies

These cookies are used to enhance the performance and functionality of our Mailchimp Site. They help us to know which pages are the most and least popular and to see how visitors move around the Mailchimp Site. All information these cookies collect is aggregated. Although important to us, these cookies are non-essential to the use of the Mailchimp Sites. However, without these cookies, certain functionality may become unavailable.
